01

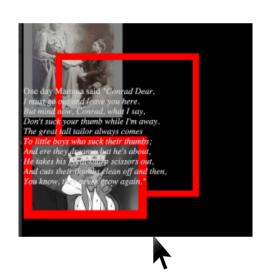

Once there was a remitorder overside the few weeks often
and he would got the weeks often
and he would got the weeks often
and he would got the beautiful
and by they of the beautiful
and only the second of the
and of the beautiful
and only the second of
and the beautiful
and the beauti

Output and action—
And considered the few exhibitions
in changes the few considered the few exhibitions
in change from the few exhibitions
and record, from the few exhibition
and record, from the few exhibition
and the considered the few exhibition
and the considered the few exhibition
and the few exhibitions and provide
the few exhibitions are recorded
and the few exhibitions are recorded
and the few exhibitions are recorded
and the few exhibitions and the few exhibition
and the few exhibitions are recorded
and the few exhibitions and provided
and the few exhibitions are recorded
and the few exhibitions and the few exhibitions are recorded
and the few exhibitions. The few exhibitions are recorded
to the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded
to the few exhibitions and the few exhibitions are recorded.

HOW CAN YOU MEND A BROKEN HEART LYRICS

Designer: Kyle Brady kyle.brady@newschool.edu

```
KEY
underlying beat=____//
soft underlying main beat= ...
                                                   i can think of younger dayyss.....//when living for my life.....//
extra beat riffs/instrument= >>>>>
higher notes= ***
                                                         was everything.....// a man could want to do.....//
lyrics sand in a more robust key= lyric
                                     i··· could·· nevveer seeee tooomoorrrow·····// but i was never told··· about the soorrooww·····//
lyrics sang in a softer key= lyric
                                            .....//.....//>>>>> aaand... hoow can you mend a broken heeaart?.....//
impromptu lyrics= lyri
                                                  .....//how can you stop the rain from falling down?...../
                                                 .....//tel/ me How can you stop.....//the sun... from shining?.....//
                                                             what makes "the world" go round? "..../
                                                  .....//aannd How··· can you mend a this broken maaannnn?·····//
                                                              .....// how can a loooser ever win?.....//
                                           somebody please help me... mend myyy brookken heart myyy brookken heart....
                                                     andd let me live agaaiinn......!/ La la laa laaa laaaa ......!/
                                        .....//i can still feel the breeze>>>>> through the treeeees>>>>>
                                                      .....//and misty memories... of days.. gone byyyyy****
                                               but ****We could never seee tomooorrrrow>>>> wouldya believe that
                                               >>>>>.....//.....//********* and how can you mend a broken heart? but mine is!
                                        .....// how can you stop the raaiin... from falliinng down?
                                                .....//how can you stop.. the sun good of sun from shining? ...../
                                                            .....// what makes the world goo round?
                                                           and sometimes I've just gotta say this .....II
                                                           <mark>la la laa<sup>...</sup> laaa laaaa<sup>...</sup> he ha yeeahhh ......l/</mark>
                                                                la<sup>...</sup>la laa<sup>...</sup> la la laaa laaaa <mark>......ll</mark>
                                                         .....// How can you mend this broken man?.....//
                                                                   how can a loser ever win?
                                                               >>>>>\
                                            please help me... hellppp meehh mend my mmyyy b
                                          i just wannaa···i just wannaa··· i just wanna··· i just wanna livvvee again
                                                            ····//****let me live again babbayyyy****
